MEMORANDUM FOR: Director of Central Intelligence

FROM : Special Assistant to the Director for  
Interdepartmental Affairs

SUBJECT : Breakfast Meeting with Senators to Discuss  
Worldwide Briefing

1. Attached for your review is an updated version of your testimony used most recently by John McMahon before the HAC Defense Subcommittee. I realize that your meeting Wednesday morning will be somewhat informal, therefore, you may wish to use this briefing as a basis for making some notes for your discussion. I have alerted Debbie should you wish to actually draft a shorter version for that meeting.

2. We discussed last week the possibility of your wanting Charlie Waterman and Larry Gershwin to be available for more detailed discussion. I have asked [redacted] to let me know in the morning exactly which Senators are planning to attend the breakfast. I will then let you know so that you can decide how you want to proceed as far as inviting backup expertise. 25X1

3. Please let me know if there are any other materials you would like to have in preparation for this session. Specifically, do you wish to have Dewey's pictures showing insurgent activities as referred to on page 10 of the text?
